

Action Plan

<p><u>Eco-Schools Topic</u></p> <p>Marine</p>	<p><u>Action</u></p> <ul style="list-style-type: none"> • Canal or beach clean • Primary school day – reuse plastic bottles to make plant pots. • Raising awareness of marine conservation (possible house competition) • Reducing single use plastics on site – especially water bottles. • Chester Zoo visit / conservation talk. • Environmental bake sale to raise money for conservation 	<p><u>Duration</u></p> <p>Half term 5 and 6</p>	<p><u>Monitoring Method</u></p> <ul style="list-style-type: none"> • Weekly meetings • Rescoring of our school grounds environmental review
<p><u>Aim</u></p> <p>To raise awareness about plastics and to reduce plastic use.</p>		<p><u>Informing & Involving Plans</u></p> <p>Newsletter Eco Twitter account Updates through class charts</p>	<p><u>Final Evaluation</u></p> <ul style="list-style-type: none"> • Marine environmental review improved from 1 to 4. But a lot of our activities are not on the review, so we have raised more awareness than what the score suggests. • We really enjoyed our Chester Zoo conservation visit.
<p><u>Eco-Schools Topic</u></p> <p>School Grounds</p>	<p><u>Action</u></p> <ul style="list-style-type: none"> • Care home visit – help residents plant plants. • Grow plants from seeds to gift to form groups to look after. • Tree planting on school site. • Ban the chewing gum – raise awareness • Litter pick on the school site 	<p><u>Duration</u></p> <p>Half Term 3 and 4</p>	<p><u>Monitoring Method</u></p> <ul style="list-style-type: none"> • Weekly meetings • Rescoring of our school grounds environmental review
<p><u>Aim</u></p> <p>To improve the greenery around our school site.</p>		<p><u>Informing & Involving Plans</u></p> <p>Newsletter Eco Twitter account Updates through class charts</p>	<p><u>Final Evaluation</u></p> <ul style="list-style-type: none"> • The elderly residents enjoyed their planting day. • We planted seeds, but we are still waiting for them to germinate. We may have to try again with easier seeds. • The whole school assembly on chewing gum was watched by all students. We will review the impact of this next year, when the tables have been cleaned over the summer.
<p><u>Eco-Schools Topic</u></p> <p>Water</p>	<p><u>Action</u></p> <ul style="list-style-type: none"> • Arrange trip/visit from united utilities • Water saving tips • Encourage refill bottles in school. • Christmas Cards to raise money for water aid. • Ask for more drink water fountains • Investigate water gauges. 	<p><u>Duration</u></p> <p>Half Term 1 and 2</p>	<p><u>Monitoring Method</u></p> <ul style="list-style-type: none"> • Weekly meetings • Re-scoring of our water environmental review.
<p><u>Aim</u></p> <p>To raise awareness of water scarcity and improve our water conservation.</p>		<p><u>Informing & Involving Plans</u></p> <p>Newsletter Eco Twitter Account Updates on class charts</p>	<p><u>Final Evaluation</u></p> <ul style="list-style-type: none"> • £105 raised for Water Aid • United Utilities only do school visits for Primary schools ☹️ • We made our own water gauges to take home and monitor rainfall. • House competition for students to bring in a refillable bottle was a success.
