Dear Parents/Carers,

I hope this letter finds you well. I am delighted to share that we have had another brilliant week at school. Student behaviour has been excellent every day, which is a testament to the positive learning environment we strive to create.

We have exciting news regarding our new ASD provision. This week, we have appointed two dedicated teachers for this new part of our school, and we are thrilled about its opening next year. Their expertise will be invaluable in supporting our students that are placed there.

Next week, we will conduct interviews for our student leadership team. Year 10 students have eagerly applied for these positions, and we look forward to appointing our new leaders as they transition into Year 11. It will be an exciting time to see who will step into these important roles.

Additionally, I would like to remind you that the staff nominations process will close on Monday next week. If you haven't submitted your nominations yet, please do so over the weekend. Your input is greatly valued and appreciated.

Can we also remind parents/carers of Year 11 students as they prepare to leave us after their exams we welcome any donations of school uniform, text books and pe kit, these can be left at the school office between now and the summer holidays.

We hope you have a restful weekend.

Best wishes and take care,

Emma Mills
