28 June 2024

Dear Parent/Carer

We are eagerly looking forward to welcoming your Year 6 children next week for their transition days. For details on timings and arrangements for these two days, please refer to the letter available at the following link: [Transition Letter](#).

Additionally, we are holding our additional needs coffee drop-ins on **Monday, 1st July**. There are two available slots: **11:30 AM** and **4:00 PM**. If you have signed up for these sessions, please sign in at the main reception, and we will guide you to the college. If you have not yet signed up but would like to attend, please email njones@birchwoodhigh.org.

On the first transition day, students will be allocated their form groups. We have worked diligently to ensure that every child is placed with at least one of their chosen friends. Experience has shown that being in a form with a mix of children from various schools is an excellent way for students to meet new peers and gain confidence about starting school. While initial nerves are natural, students typically settle in quickly and begin to form new friendships.

We understand that being in a new form can be daunting, and we allow students a few days to adjust before considering any changes. If you have concerns about your child's form group, we ask for your support during this settling-in period. Please email njones@birchwoodhigh.org if there is an urgent concern around your child's form group and we will work with you to come up with a solution.

Thank you for your cooperation and support. We look forward to a smooth and exciting transition for your child.

Kind Regards,

Ms N Jones

As part of our commitment to the environment, Birchwood Community High School is actively working towards reducing paper waste by encouraging the use of digital forms wherever possible. We kindly ask parents to consider accessing information electronically to support our efforts in this regard. However, should you require any of the information in paper format, please do not hesitate to contact the school office, where we will be happy to accommodate your request.
